

# Never Doing That Again

Brad Elias 2015

When I was younger	C		
I had a hunger	F	C	
Went to the kitchen of the lady next door	C	D	G
I found the liquor	C		
It made me snicker	F	C	
And pretty soon I was face down on the floor	C	G	C
But I'm never doing that again	F	G	C
No, not the next time	C		
I learned my lesson once again	F	G	C
Just like the last time	C		
You think I'd have more sense but then	F	G	C
I've had a lifetime	C		
Of never doing that again	F	G	C
I went to college	C		
To gain more knowledge	F	C	
I had a roommate who said he grew his own	C	D	G
Said I could try it	C		
Don't have to buy it	F	C	
And pretty soon my face had turned into stone	C	G	C
I started dating	C		
Why was I waiting	F	C	
I met a girl who showed the meaning of life	C	D	G
I loved to do it	C		
I took right to it	F	C	
And pretty soon I had acquired me a wife	C	G	C
We bought a mansion	C		
It's all the fashion	F	C	
The prior owner was a vampire they said	C	D	G
The mausoleum	C		
Thought I could see him	F	C	
And pretty soon he changed me to the undead	C	G	C
