

Tell Him the Truth

Brad Elias (2016)

I got girl in Birmingham
She wanna have a sugar man
He got dough like Donald Trump
She goin' to take him for a chump
But when she fin'ly sees me there
No one can ever quite compare

I got girl in Tennessee
She wanna boy instead of me
Hair in gunk and smirky smile
Retro punk and metro style
But when she's in my warm embrace
It's something that she can't replace
So tell to his face, "Boy!"

I got girl in Montgom'ry
She wanna muscle man, not me
He got bod as hard as rock
She loves to oil the jumbo jock
But when I make it back her way
She'll drop his muscle right away
You know he can't stay, hey

But one's enough if it is me
I'm all that you need.
